2023 INTERNATIONAL MERC COURSE CALENDAR

merc

Musculoskeletal Education and Research Center (MERC)

At Globus Medical, we are committed to furthering and improving patient care. Our medical education division (MERC) is driving lifelong learning with our first-in-class comprehensive education framework. We work with leading healthcare experts to customize the learning experience using industry-leading innovative technologies, surgical techniques, and relevant research.

Our highly personalized cadaveric, didactic, and peer-to-peer learning programs are open internationally and exclusively feature Excelsius™ Technology. To determine what programs are best for your practice, visit us at GlobusMedical.com/MERC.
